Academy Dress Code

Great Hearts Invictus has a primary objective of developing a "community of learners," dedicated to the highest standards of academics and deportment. As such, a distinctive uniform is a unifying factor within our school community. It is also a visible signature of our school to the larger community, an indicator of our unity and of our pride of purpose. This is one of the most important functions of a uniform: it identifies its wearer as part of a distinctive group with a distinctive purpose. It is a reminder to its wearer of that purpose and of one's responsibility to that group.

Our school is also committed to the development of individual personality and character—not through the external 'expressions' of dress and appearance, which can easily be purchased or affected, and which can quickly divide students through the power of snap judgments and prejudices—but through personal qualities, virtues, quirks, and traits. It seems countercultural to assert this in our age, but the Academy holds that the school uniform is an essential condition for cultivating genuine individuality in the school community. It is not this or that particular element of the uniform that "matters" more than any of the others; rather, the uniform as a whole is what matters.

While students are responsible for their clothing and appearance, it is the parents who are responsible for providing the conditions required for meeting the standard, e.g., haircuts, proper shoes, shirts, skirts, and pants that fit properly, etc. Parents are urged to understand the dress code and to ensure that their children go to school each day in the right attire from head to toe. It is an uncomfortable experience for a child to be corrected for a dress code violation, and repeated issues can become an enormous distraction for students.

The uniform is the basis of a dress code with a "professional," business-like standard. Our students should dress their best, look their best, and do their best. All uniform items must be clean, neat, reasonably pressed, and in properly fitting condition. If a child is deemed to be wearing attire that does not meet the standard, the parent will be notified, and a change of clothing may be required for attendance that day. If in doubt about an article of clothing, check with a school administrator before purchasing.

Decisions about apparel may be referred to the Headmaster whose judgment will be final. The school will make specific exceptions to the dress code as required by particular religious customs or special needs (e.g., a medical condition); parents should address specific concerns with the administration before the second week of school, or as soon as possible in the case of an unforeseen situation.

Students must stay in uniform whenever they are on campus (including the parking lot) during a school day. This means arriving on campus fully in uniform and leaving campus fully in uniform (correct shoes, shirts tucked in, etc.). Students may only change out of uniform after school with teacher/coach permission to participate in an approved curricular or extracurricular activity that requires an immediate change in dress.

Parents must provide their student(s) with the required uniform, except in the case of economically disadvantaged students as provided in the Texas Education Code. The Academy may provide a uniform voucher for such students. If you would like to request financial assistance, please contact GHINV staff, at info@greatheartsinvictus.org for more information.

Purchasing Note: Some components of the uniform must be purchased from Dennis Uniforms (www.dennisuniform.com) or Flynn O'Hara (www.flynnohara.com) whereas other items can be purchased from other vendors. Please see the note under each item.
